Mr. Goran Pauk

President of the Union of
Croatian Maltsters

Dear Mr. Chairman,

It was with great sadness that I received the news of the earthquake that struck Croatia.

I would like to express my sympathy and solidarity with the inhabitants of the affected regions. In particular, I express my condolences to the families of the victims.

I believe that it will still be possible to save all those who were in danger and that there will be no further next earthquake.

At such a difficult time, local and central authorities have a great responsibility to the country and the people. I want to assure you that the Association of Polish Regions is with you, understands you and supports your actions.

Best regards,

Olgierd Geblewicz

Chairman of the Board
of the Association of
Polish Regions
